Congratulations – you have taken the first important step towards your new estate plan!

ESTATE PLANNING GUIDE

WILL, POWER OF ATTORNEY AND REPRESENTATION AGREEMENT

- This Guide is designed to prompt you to think about important decisions you will need to make if you are preparing any of the estate planning documents we typically prepare for clients: Will, Power of Attorney and Representation Agreement (*Medical Power of Attorney*).
- If parts of the Guide do not apply to you, (e.g. you only want a Will and a Power of Attorney but not a Representation Agreement) then you can omit those sections.
- Please complete the Guide as fully as possible – this will assist in keeping your cost down. Please be assured that all information requested is vital to proper preparation of your estate planning documents.
- If you have additional information that you feel is vital for us to know in order to prepare your estate planning documents, please attach additional pages as needed.
- If you and your spouse are doing mirror Wills, Powers of Attorney, and/or Representation Agreements, you only need to complete one Questionnaire.
- If you require an office appointment to help you to complete this Guide, we would be pleased to assist you, however our hourly rates will apply.

We will contact you after we have reviewed your information, and will provide you with an estimate of the cost of completing your estate plan.

Photo identification and a retainer (deposit for work to be performed) will be required prior to starting work on your estate planning documents.
